TOPICS OF DISCUSSION:

Luminary Tribute to the late John McKewan, Treasurer – this will be announced with the Pine Hill Association flyer and online via Facebook and Website.

Cancellation of Summer Picnic/Rescheduling of Summer Picnic for early summer 2021 - Board agreed on cancellation.

Luminary Project Volunteers -board members will assist, and a request will go out to the neighborhood for more volunteers. Normal participation is 1 hour from start to finish.

*Halloween – conversations regarding when the neighborhood Halloween trick-or-treating should take place. A neighborhood poll will be conducted on Facebook and the Pine Hill Sub website. An email will be sent with a survey. Neighbor comment during meeting that Halloween was preferred because it can be confusing for the younger children to have Halloween twice. **UPDATE TO MEETING MINUTES:** The Board reviewed the Facebook polls and Survey Monkey on the Pine Hill webpage. The Board determined that since Halloween falls on a Saturday this year, the neighborhood will not change to a different weekend. This is for the 2020 year only and will be reviewed again in 2021.*

*Treasurer position/Treasurer Report/Luminary Director – **Pete Johnson** has stepped in as interim Treasurer for 12 months and will also function as Luminary Director. **Big “applause” to Pete for stepping up!***

*Disclosure of Official Pine Hill Sub Communication: All “official” communications from the Pine Hills subdivision comes **strictly** from the “Pine Hills Civic Improvement Association” and its Board! All communications come with the subdivision logo and names of members of the board. If you should receive a communication without official data, you should ignore such communication.*
